## BASIS AND CRITERIA FOR ACCEPTANCE

### Communication, Security & Telephony

#### SHORT- LISTING PROCESS

**This qualification questionnaire is divided into three sections.**

**Section A** requires you to provide background information about your company.

**Section B** requires you to provide evidence that you satisfy the Trust's requirements to be considered for inviting to tender. Any items where the Trust at its sole discretion considers that you do not meet its requirements will preclude your company from being invited to tender.

**Section C** requires you to provide references that match as closely as possible the services to be provided under this contract. Referees will be asked to provide information about your performance and your delivery of the service to the contract standard. Preference will be given to companies who can provide at least one reference from organisations of a similar context and size to the Trust.

These responses will be ranked by the Trust and a minimum of the top 5 companies shall form the basis of the shortlist of companies invited to tender for a 5-year Trust-wide Communication, security & Telephony service, provided that they continue to express an interest to do so.

Should applicants have any questions regarding this pre-qualification process or the information provided please submit them to Mr Geoff Chandler via e-mail, [geoff.chandler@moxton-education.com](mailto:geoff.chandler@moxton-education.com) (and [cc: cfo@tamam.org.uk](mailto:cc:cfo@tamam.org.uk)) or by telephone on 07970661087. The closing date for applicants to submit questions is Midday on the 27<sup>th</sup> October 2023. The Trust will provide an electronic response to any questions and to all applicants who have expressed an interest by 5pm on the 3<sup>rd</sup> November 2023 **or before**.

Completed Qualification Questionnaires, with all relevant additional information, must be submitted to the Trust by **Midday on the 13<sup>th</sup> November 2023**. Submissions received after this date and time may not be accepted.

**Companies are advised that failure to respond to all the questions within the Qualification Questionnaire and / or failure to submit the necessary supporting documents and / or failure of referees to respond to reference requests may render their submission non-compliant and as such they may not be considered to be included in the shortlist to receive the ITT from TAMAT**

## Background

The Alliance Multi-Academy Trust (TAMAT) encompasses 5 schools and circa 1400 pupils in Surrey.

The Trust Website is <https://www.tamat.org.uk>

The current schools are as follows.

Academies	Pupils
Connaught Junior School	438
Holy Trinity Primary School	420
Windlesham Village Infant School	110
Crawley Ridge Infant School	179
Crawley Ridge Junior School	215

The Trust Head Office is currently at Windlesham Village Infant School

The Alliance Multi-Academy Trust or TAMAT was born, bringing together five of those initial schools and over 1400 children. We are proud that we have already achieved something that is unique – for the first time in Surrey, schools of both a secular and church nature have collaborated and found a way of coming together formally in a Multi-Academy Trust, for mutual benefit. There was an element risk because we had always relied on the local authority and/or diocese and did not want to lose our uniqueness.

The school leadership teams and governors committed to a new level and type of collaboration that benefits the children of all our schools enormously. We are enjoying the autonomy but also the added strength in resourcing that working together brings. But we have not come together to create TAMAT academy school “clones” – far from it. We fundamentally recognise the individuality of each school, their teachers, their cultures and environments, but most importantly their children and TAMAT will always respect that. And so, our doors are open to other like-minded partners and we invite you to find out more.

The Alliance Multi Academy Trust was formed in April 2018 and currently has 5 schools, 2 Infant Schools, 2 Junior Schools and 1 Primary School. TAMAT came together to provide the best education for our children through the best staff and systems. We have a clear focus on leadership, teaching, governance, professional development and collaboration at every level of the Trust.

## Going forward - This procurement

This procurement encompasses the items noted below. In essence, this procurement is all about identifying a single supplier to provide a fully managed communications, security and telephony service. At the sole discretion of the Trust any future schools that the Trust may incorporate into the Trust will also be added to the ICT contract. Any additional schools will co-terminate to the end same end date of the initial contract.

Further details regarding bid timescales are noted below but in terms of the service this is advertised as a 60 month contract with start and end dates as follows:

Service start date – 1<sup>st</sup> June 2024

Service end date – 31<sup>st</sup> May 2029

The companies identified from these shortlisting questions to receive the ITT for the Managed communications, security and telephony partner will then receive a detailed set of requirements. For the purposes of this shortlisting stage bidders should assume that the ITT will include, but is not be limited to;

- A managed connectivity service to connect schools anywhere in England
- A broadband service for each school based on synchronous connectivity
- A 'failover' line
- A filtering and firewalled service
- A service that is compliant to latest KCSIE guidance
- A managed VoIP telephony service for each school to an agreed number of handsets each
- Support and maintenance service
- Full end to end single SLA approach
- Management of any 3<sup>rd</sup> parties required to provide the service
- Relevant monitoring, management, and reporting
- Full installation and transition service
- Value added services
- Technical interface into the Trusts outsourced support provision

Bidders should note the following:

- The Trust will provide a standard contract as part of the ITT Pack
- It is not expected there may be a requirement for TUPE

Further details about the solution requirements will be provided to those bidders who are shortlisted to receive the ITT pack.

The value of this procurement has been set with an upper limit of **£300,000** over a maximum 60 month period.

To be clear, the upper limit noted above includes headroom for an additional 5 schools that may or may not join the Trust during the lifetime of the Contract, it is not a budgetary figure.
